ZERO HOUR  
FOUNDATION

# ZERO HOUR FOUNDATION

At Zero Hour Foundation, we stand as a not-for-profit organization founded in 2014 in Vadodara, Gujarat. Our personal mission is to cultivate a vast network of innovative young professionals, united by a shared dedication to empowering fellow citizens and driving systemic reform.

Sustainable community development is crucial for social welfare and disaster relief. Our approach promotes compassion and harmony, offering comprehensive interventions in health, livelihood, education, and resilience, utilizing a global network of expertise and partnering with partner organizations.

# CHHATRA SANSAD INDIA

Chhatra Sansad, led by the Zero Hour Foundation, is a movement that empowers youth to be catalysts of change. It aims to foster ethical and competent public leadership, re-shape national policies, and enhance Indian democracy.

The initiative has expanded to multiple states and seeks to inspire youth to engage in leadership roles and public service. Chhatra Sansad aims to elevate youth awareness, involvement, responsiveness, and influence in politics and democracy, ultimately contributing to a robust democratic system and constructing a fairer nation-building process.

# 2024 BLUEPRINT: THRIVE TOGETHER

## Expansion & Outreach

Extend the reach of Chhatra Sansad to additional states and regions, focusing on areas where youth engagement in public leadership is crucial. Develop targeted outreach programs to connect with educational institutions, community organizations, and youth networks.

## Leadership Training Programs

Strengthen and expand leadership training programs to equip young individuals with the skills necessary for effective public service. Integrate modules on ethical leadership, policy development, and grassroots mobilization to nurture a cadre of competent and responsible leaders.

## Collaboration with Educational Institutions

Forge partnerships with universities, colleges, and schools to integrate civic education into academic curricula. Establish student chapters of Chhatra Sansad in educational institutions to create a sustained impact on youth involvement in politics.

## **Policy Advocacy and Research**

Invest in research initiatives focused on key policy issues affecting youth and society. Use research findings to advocate for evidence-based policies, bridging the gap between the current governance and the aspirations of the youth.

## **Regional Conclaves and Forums**

Initiate the organization of regional conclaves and forums aimed at uniting youth leaders, policymakers, and experts. Foster dynamic discussions on pressing issues to facilitate collaboration and knowledge exchange. These events are envisioned as pivotal platforms to amplify the voices of the youth.

## **Public Awareness Campaigns**

Launch comprehensive public awareness campaigns to educate the general public about the importance of youth involvement in politics. Leverage traditional and digital media to disseminate information, emphasizing Chhatra Sansad's role in shaping a more vibrant democracy.

# CS YOUTH PARLIAMENT

## IGNITING MINDS, SHAPING FUTURES

The Chhatra Sansad Youth Parliament functions as a platform, enabling debaters from across the nation to assume the roles of parliamentarians. This initiative provides an enriching learning experience, cultivating a culture of debating, discussing, and deliberating. Participants acquire insights into current affairs, debate techniques, and research skills.

Our comprehensive approach incorporates pre-conference training sessions. Chairs in Conventional Committees guide and offer tips to new parliamentarians, fostering continual improvement.

Specialized Committees present unique challenges in distinctive environments, creating a novel and engaging experience for debaters.
