MEET AND INTERACT WITH VISIONARIES

NETWORK WITH POLICY MAKERS AND GOVERNMENT OFFICIALS.

ABOUT INTERN NATION

InternNation is an immersive hands-on learning program for the youth of today who wish to one day be stalwarts in their own right and have the will to change the very foundation of our Society. Through InternNation, we provide the delegates with a chance to meet and interact with Visionaries from the Public and Private Sector as well as the Government so that they can learn from the very best and inspire their fellow Indians. **The participants get a chance to imbibe the same values that drive today's leaders and Visionaries.** Additionally, they will be spending time with likeminded people with the same energy and enthusiasm as them and who share a similar vision as them.

This tour also serves as a pathway to network with Policy Makers and Government officials for future collaboration and be a source of constant communication.
